Gold Partnership --- Silver Partnership --- Bronze Partnership

These levels and benefits are based on contribution amount:

- Complimentary exhibit space (Gold only)
- Complimentary advertising space in convention and conference Program Book – Distributed to all departments and delegates
- Complimentary tickets to various events including: Prayer Breakfast and Golf Tournament
- Executive Sky Box Suite (Gold only)
- Hole sponsorship at Golf Tournament

Be part of the excitement that is the emergency services today!

What better way to show the emergency services personnel what you're about than by participating in the Corporate Partnership Program?

Take a look at the following descriptive pages and call David Lewis (443-694-9113) with any questions you may have, but hurry, these partnerships have only limited participation available.
